Cannoli is our thing and we have been at it since 2016 serving our range of cannoli across the Capital Region at the finest producers markets and events.

Manufactured by hand in our Fyshwick factory we make all our pastries fresh using best ingredients we can get, our cream fillings use whole white milk, ricotta's, mascarpone, fresh local eggs and the purest natural and full fruit flavourings available.

We have Vegetarian, Vegan, Dairy Free and Gluten Intolerant options at all our events

The Blonde Cannoli:

The Brunette Cannoli:

A darker richer pastry flavoured with fresh ground cinnamon and Marsala this pastry is a heavier flavourful pastry filled with a delicate Madagascan vanilla crema with a hint of fresh lemon.

The Gluten Free Goddess Cannoli:

A signature Gluten intolerant cannoli shell using finest fresh milled seeds to present a truly delectable cannoli for those that "couldn't".

General Information

Our cannoli shells are not coated inside with chocolate or other primers so we sell our product so that you fill what you need when you need it minimizing losses on softened product. Our product will have a 6-10 hour refrigerated shelf life depending on the moisture within your display refrigeration.
