Cannoli is our thing. Since 2016, Cannoli Brothers has been serving handcrafted cannoli across the Capital Region at premier farmers' markets and events.

All our pastries are made by hand in our Fyshwick factory using the best ingredients we can source. Our cream fillings are made with whole milk, ricotta, mascarpone, fresh local eggs, and the purest natural and full-fruit flavourings available.

We offer **Vegetarian, Vegan, Dairy-Free, and Gluten Intolerant options** at our events.

Our Cannoli

The Blonde Cannoli

A light, crisp blonde pastry shell made with vermouth, filled with a rich 70% dark chocolate and fresh orange oil crema.

The Brunette Cannoli

A darker, richer pastry shell flavoured with freshly ground cinnamon and Marsala wine, filled with a delicate Madagascan vanilla crema with a hint of fresh lemon.

The Gluten Free Goddess Cannoli

Our signature gluten-intolerant shell made using the finest freshly milled seeds to deliver a truly indulgent cannoli for those who thought they couldn't.
